Melville Remain Unbeaten

Mosman Park's hopes of making 1984 a premiership season were severely jolted when they were crushed by Melville at Tom Perrott Reserve last Sunday.

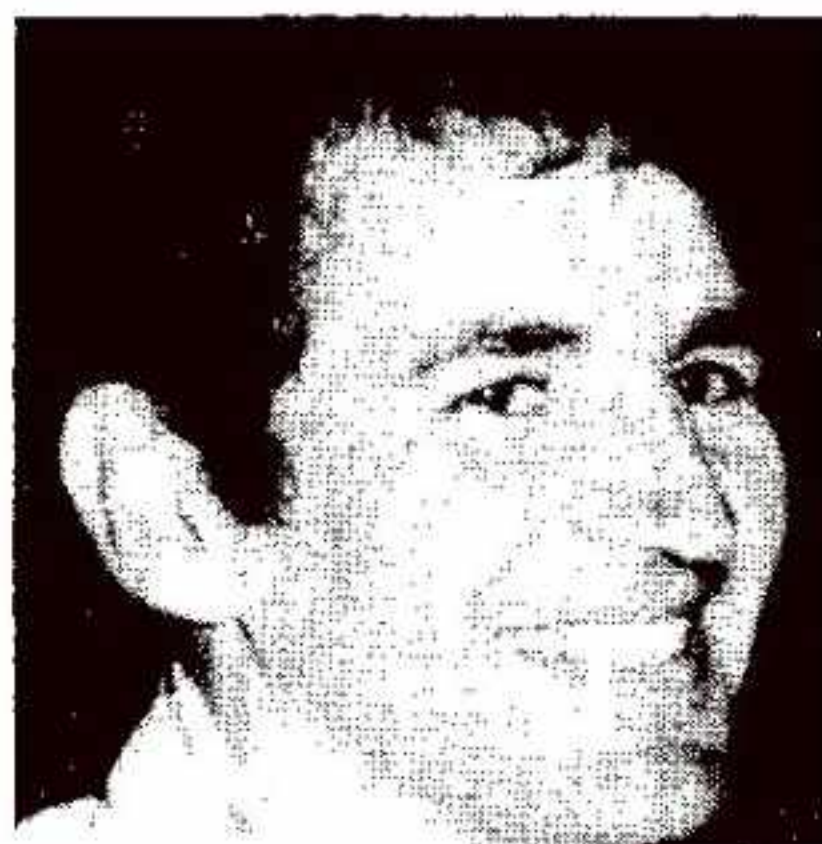

It was billed as the match of the day, but Melville gave an awesome display of skill and teamwork and turned the match into a one-sided encounter. Melville kicked 17 goals in the second half and eventually won the match 29.19 to 13.20. Their victory kept them at the top of the premiership ladder and maintained their unbeaten record this season.

Mosman Park, who lost the previous week to Cockburn, were disappointing and coach Ian Earl will be looking for an improved performance today.

Cockburn followed up their good win over Mosman Park a fortnight ago with a solid victory over Swan Valley last Sunday. Cockburn started the match in superb form, kicking five goals in the opening ten minutes of the match, but Swan Valley then came back and were within striking distance of Cockburn until the start of the last quarter.

But Cockburn set-up a match winning lead in the early stages of the final term and despite a late burst by Swan Valley, Cockburn won the match 21.15 to 14.14.

Belmont continue to show steady improvement and were too strong for Midland last week, winning 18.15 to 15.14, at Midland Oval.

Cont'd from Page 1

Today's feature game will be the clash between Southern Port Hamilton and Mosman Park at Tom Perrott Reserve. It's a crucial game for both sides.

Southern Port pushed Melville all the way in their encounter a fortnight ago and will be fresh after the bye last Sunday. They have a well balanced side with Sam Maskos in the centre, Len Thorne and Len Paparella as ruck-rovers and an excellent defence with Kevin Pausin, Gary Caple and Camello Locantro all in good form recently.

Mosman Park full-forward David Harvey made an excellent return to W.A.F.A football last week and he, along with centreman Barry Haydinger defenders Ian Earl, Joe Madej, Ray Garrett, Don Dixon and Jerome Clayton will be the players Mosman Park will look for today to lead them to a victory.

But on recent form, Southern Port-Hamilton should win this match.

Melville should continue their match winning form against Swan Valley at Melville Reserve today. Melville had an abundance of good players last week none better than defenders Steve Vinci Alan Burn and Karl Palinkas, centreman Gareth Stewart, wingman Dave Cox and Steve Vinci, rover Geoff Truscott and Captain-coach Tony Micale. Swan Valley have been struggling this season, but Melville will have to work hard to get control of the ruck as Geoff Parich was outstanding for Swan Valley last week.

In the other WAFA match this today, Cockburn should be too strong for Midland at Beale Park. Cockburn have ruckman Mike Ingraham out for at least 10 weeks with a broken bone in the foot, but they still have an even spread of talent with Paul Zuvella in the centre, Randall Prowse at the centre-half-back and teenage centre-half-forward Trevor Brickhill who kicked 8 goals last week.

Rams On Hat-trick Again

Congratulations to the respective coaches and players for a magnificent hat-trick of wins at Mosman Park.

To Kim and the Colts, goes a special pat on the back, as everyone is aware things haven't been easy lately.

The colts guarantee a crowd pleasing game each week as their scores indicate, so we would like to see more supporters at the colts game.

Another good win from "Nippers" reserves team. in a hard fought encounter it ensures plenty of pressure is kept on the players in the league. Keep up the good work.

To Tony Micale and the league team, a super team effort. The Melville Football Club has come a long way this year and Sunday's win gave a number of people a lot of satisfaction. There is

one question everybody has been asking. Did Noel Cooper ever kill a china-man? He was again forced to leave the ground with injury and our best wishes go with him.

We thank the Mosman Park Football Club for all games and the way they were played, and their post match hospitality, and we look forward to return matches at Melville.

We welcome Swan Valley to Melville for our first clash and extend an invitation to join us in a social drink after the game.

A special note of thanks goes to our 'Premier' and all his 'ministers' for a job well done so far this year - keep up the good work....

CARN THE RAMS.

SWANS LOOK FOR REAL SUPPORT

Congratulations to our Reserves team it was a great team effort and they showed the ability we all know they had. Lets continue in the same vein.

Our league side suffered its third loss for the season, but by no means were they disgraced. Again it was a solid team effort. I am certain that if the team continues to persist, things will start to fall our way.

Congratulations to Sarah and Trevor on the arrival of their new son.

The Committee is still looking for someone to organize the canteen for our home games. We also require volunteers on a roster system to attend to customers. Any enquiries may be forwarded to Mil.

Today we play Melville. The club would like to wish both teams the best of luck. We have the ability to win both games, but we must perform well on the field.

COCKBURN CONFIDENT OF FINISHING IN THE FOUR

Today our teams play their last games of the first round of fixtures. If all our teams win, as they should, then each team should finish the first round in the top four. This would be the type of start to a football season that the club has been hoping for in the past couple of years.

The club's goal for this year of course is not only to finish in the final four in each grade at the end of the year, but to take off the premiership flag in each grade. Having now seen the talents of each of our opposition teams for this year, there is no doubt in the minds of our coaches, that this goal is attainable.

Last week's games saw some strong goal-kicking performances from our league players, Trevor Brickhill, Roy Koeberl and Jeff Hunter, also from our reserves players, Danny Gore and Dave Nodari. While the league team coasted to a win, the Reserves only just went down in a close match which was the game of the day, because of the exciting finish.

A feature of the reserves game last week was the return to the field of coach, Phillip Gerovich. Phil led by example in showing all his players how to commit their bodies to the game and do the hard, unglamorous work, which members of a winning team must do. Phil's policy of promoting and encouraging team play and desire in his

players must pay off in the long run, by providing the league team with a strong pool of back-up players, as well as forming a reserves team capable of winning this year's premiership. It took a while this season for the league team to gain complete confidence in them-selves and it may take the reserves team a bit longer.

Congratulations to Trevor Brickhill and Murray Smart in joining the list of young players who have played outstanding games in the league ranks this season. Murray has been among the best players in the last three weeks while Trevor's strong marking and accurate kicking for goal has also put him amongst the best afield.

Last week in the reserves, Darren Blom came up from the colts and dominated the centre of the ground. Another good young player was Ray Goodchild who showed courage in the packs.

This week we play Midland and then we have a bye. The club extends a warm welcome to all Midland players and supporters to join us in drinks after the game. I hope Dave Kay is prepared for the rush because the drinks will have to fortify us for another fortnight.

Three teams in the final four, in '84.
